or email [sales@orderman.com](mailto:sales@orderman.com).

# For successful hospitality professionals.

Large, high-contrast 5" HD screen, can be operated by finger or using a touch pen

High-quality materials and especially durable construction with integrated metal frame

Powerful rechargeable battery (3150mAh) can be replaced in seconds

User-programmable side buttons for frequently used functions

Outstanding ergonomics for a secure grip

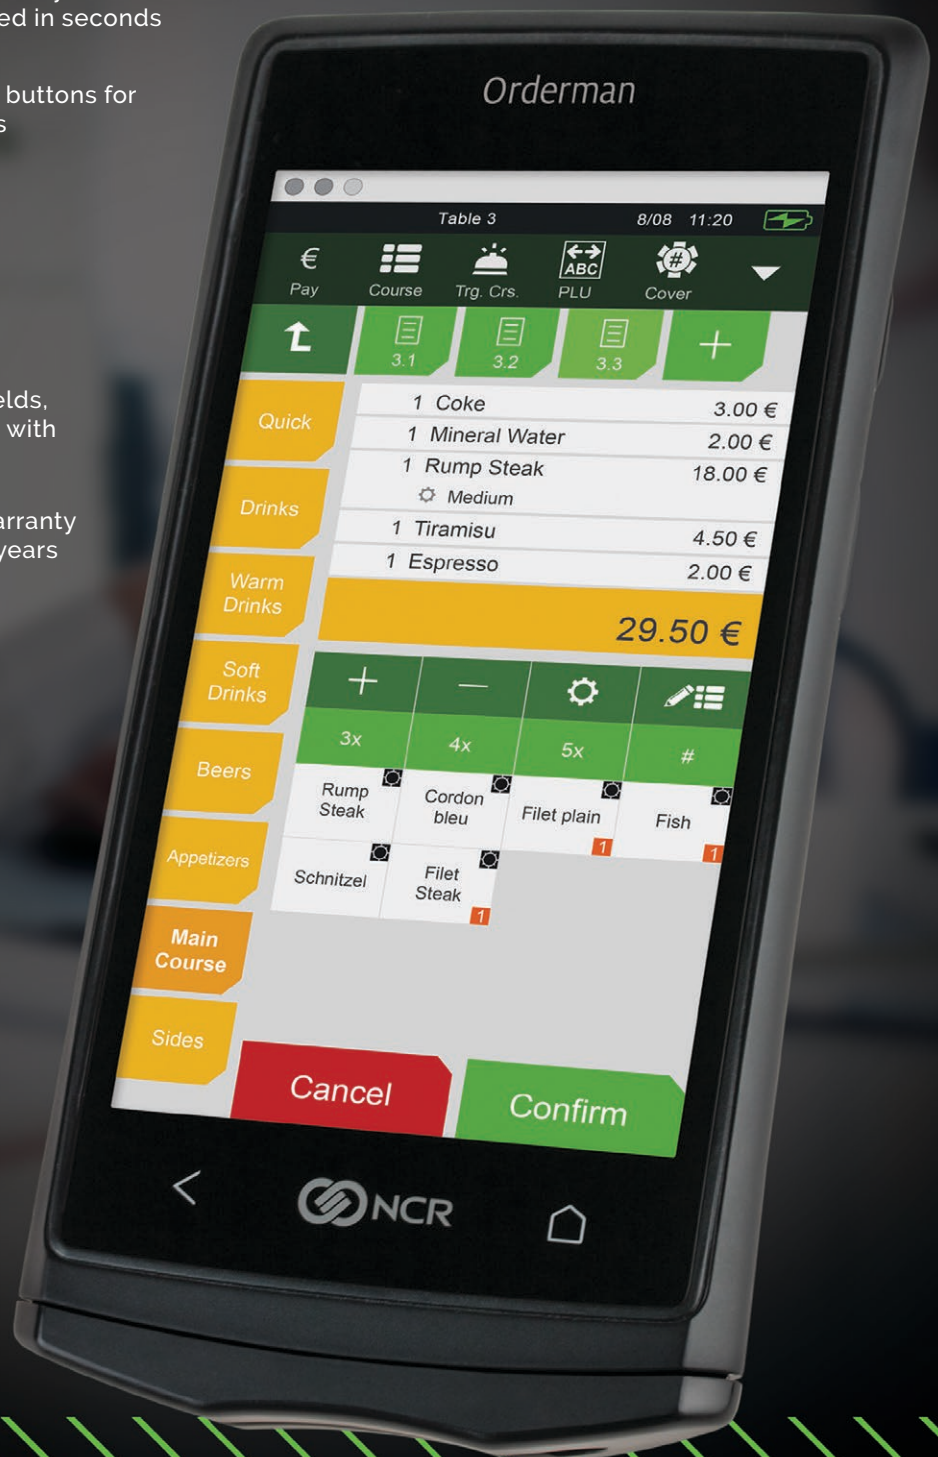

Dust and water resistant

Like all Orderman handhelds, Orderman5 is compatible with leading POS solutions

Incl. 2 years CareGold, warranty can be extended up to 5 years

# Runs all day — so that you don't have to.

The Orderman5 holds itself to high quality standards, which we place on all our professional equipment. A high-performance interior and a dynamic, durable exterior make it an essential tool for all hospitality professionals who aim to improve sales and delight guests. Especially designed for the hospitality industry, the Orderman5 ensures a smooth and efficient workflow.

When developing the Orderman5, we concentrated fully on the functions required to run the most profitable operation possible. You'll get everything you need - and nothing you don't need. With Orderman5 you receive a device that meets the highest industry standards and is guaranteed to improve your financial success. Our unique mobile ordering system can provide you with up to 25% more sales. In addition, everyone will be impressed by your excellent service.

Orderman Secure Radio: uniquely stable and secure.

Dual battery charger with fast-charging and maintenance modes.

Orderman5+: The plus model with NFC reader (ideal for access systems) and Bluetooth connects to the belt printer.

eBase for charging and software updates included in delivery volume. Can also be used as a mobile mini-POS solution.
